Pic Walenta
Jim Cooley
Bill Gee

Heidi Fletcher
DJ Hall
Brandy Riggs
Cyle Riggs
Octavio Salazar (Guest)
David Mead
Nathan Taylor (Scribe)

Meeting was called to order at 7:06 by the honorable Cyle Riggs

Our lone guest was introduced

Last meeting minutes were approved without comment

Treasurer presented the bank balance -\$2717.25 at last update (B Riggs)

Projector has a new bag, previous conveyance biodegraded as advertised (Gee)

WNS Update

- Lysol solution available for sale
- Missouri WNS Response Plan undergoing final review, Aug 9; No formal grotto involvement is included in response plan (Cooley)
- Cavers interested in assisting should work through CRF (Cooley)
- Region 2 (Rocky Mountains) – some caves opening to cave research, previously closed (Cooley)

Novice/Boy Scout Trips – Aug 18-19 = Cleveland Cave Restoration and Repelling

Boy Scout cave guidance document (Fletcher)

- ½ contacted
- Draft complete and ready for final review
 - o It was proposed that we remove cave owners info from the document to limit direct contact and instead steer groups through the grottos
 - o After some discussion this was approved
- Motion for Cooley to edit doc prior to next meeting and email to the full grotto for one last review – approved

Hickory County – No update, however, DJ Hall has a survey trip planned for Aug 12 (Meyer Schoolhouse and Stark #2), several present showed interest

CCC (Gee)

- Annual meeting was held July 14
- Low attendance
- Trip leader training successful
- DJ Hall new restoration chair – trip TBD

MSS/MCKC (Cooley)

- Meeting scheduled for Sept 16
- Goodwin Sink work continues Sept 8, several mentioned not receiving updates and a note was made to forward the update from those who did receive to the full grotto

Fundraising –Dr J gave Pic gear to be sold to benefit the grotto, likely outlet is a grotto internal auction followed by EBay or Craigslist ads for what remains (Walenta)

Survey work in Benton County (Cooley)

- Everett Cave – 350 ft surveyed, more to go
- Spring Cave
- Possible return trip in Sept

Cloud 9 – trip tentative for Sept 6-10 (Cooley)

Oregon County Bat Cave Gating – 2+ week project, Americorp volunteers to assist (Cooley)

MVOR – Sept 21-23, flyer was passed around (Cooley)

Cleveland Cave Survey –TBD, possibly Labor Day Weekend

Willow Springs Survey – TBD

DJ Hall shared an edited (and masterfully accompanied) video of the exploration of Willow Springs Cave

After party continued at the usual locale despite some hopes to the contrary
